— Query 1 / 5 —
Customer: What are the pricing plans available for your software?

Classified as: SALES

Response - SALES

ABC Technologies offers three subscription plans tailored to different needs:

1. **Basic Plan**: $10 per month. Suitable for students, freelancers, and small businesses. Features include up to 5 users, a basic reporting dashboard, email support, 5 GB of cloud storage, and standard security features. Support response time is within 24 hours.

2. **Professional Plan**: $25 per month. Ideal for growing businesses, startups, and medium-sized teams. This plan includes advanced analytics, priority email support, team collaboration tools, 50 GB of cloud storage, custom reports, and more. The support response time is within 8 hours.

3. **Enterprise Plan**: Custom pricing based on business requirements. Suitable for large organizations, enterprises, and government agencies. Features include unlimited users, dedicated account manager, advanced security controls, custom integrations, unlimited cloud storage, premium analytics, API access, and 24/7 priority support. The response time is within 2 hours.

Additionally, annual subscriptions receive discounts:
- Basic Plan receives a 10% discount.
- Professional Plan receives a 15% discount.
- Enterprise Plan pricing depends on the agreement.

Would you like more information on any of these plans?

2. I forgot my account password.

```
— Query 2 / 5 —
Customer: I forgot my account password.

Classified as: ACCOUNT

Response - ACCOUNT

I understand you're having trouble with your account password. If you've forgotten it, you can use the "Forgot Password" option available on the login page to reset your password. Here are the steps:

1. Open the login page of ABC Technologies.
2. Click the "Forgot Password" button.
3. Enter your registered email address and follow the instructions sent to that email for further verification using an OTP (One-Time Password).
4. After verifying your email, you will be prompted to create a new password. Please ensure it meets the requirements: at least 8 characters long, including one uppercase letter, one number, and one special character.

If you need any more assistance or have additional questions, feel free to ask!

3. My application crashes whenever I upload a file.

```
— Query 3 / 5 —
Customer: My application crashes whenever I upload a file.

Classified as: TECHNICAL

Response - TECHNICAL

I understand you're experiencing issues with your application crashing when uploading files. Based on the information provided, it seems like there might be a file size or format issue causing this problem. Let's check those first:

1. Ensure that the file size is below 100 MB.
2. Verify that the file uses one of the supported formats: PDF, DOCX, XLSX, PNG, or JPG.

If you've already checked these points and are still experiencing issues, please provide more details so we can further investigate.

Response – BILLING
Certainly, I can assist you with your request for a refund on your annual subscription. To process this, we need some specific information from you:

1. Your Account ID.
2. The details of your subscription (e.g., plan name, start date).
3. The reason for the refund.

Please provide this information so that our team can review and approve it accordingly. Once approved by a supervisor, the refund will be processed within 5-7 business days.

If you have any further questions or need assistance with anything else, feel free to ask.
